Dear Friends at Allied Arts,

On behalf of the Board of Directors and the staff of the Coastal Health Alliance, thank you so much for your generous contribution of $1000. It is particularly wonderful to receive continuing contributions. We are nourished by such gestures, and it is gratifying to receive recognition for our work.

This year we saw a healthy increase in patient visits at our Stinson Beach site. Your contribution is particularly welcome.

As you know, we are a 501- c-3 nonprofit tax exempt community clinic, and therefore your contribution is tax deductible. Again, thank you for your generous support.

Sincerely,

Dear Joanne and Members of Allied Arts,

I am writing on behalf of the Stinson Beach Community Church to express our deepest appreciation for your generous gift.

We are desperately trying to keep our little church alive as it represents a touch-stone for all of us. Unfortunately, with poor attendance except for important events and fewer ways to make money for expenditures, we are in need.

THE ARRIVAL OF YOUR GIFT WAS A GOD'S SEND!

Bless you and Thank You for remembering the Church,

Sincerely,

Dear Virginia and members,

Thank you for the generous grant of $1000. We know that you weren't able to have your annual fundraiser this year, and therefor had less to distribute to worthwhile organizations. We feel gratified that you chose West Marin Senior services to receive such a nice donation this year.

Working together, we can do alot to help older residents to get help and be able to stay in their own homes.

With much appreciation,

Barbara

Dear Suzanne:

This letter is to inform you that our organization no longer wishes to participate as an active member of your board of directors. Our group is in transition at present and none of us has the time or energy to attend meetings or to serve on committees.

Over the past 40 years Allied Arts has made major contributions to the Stinson Beach Community Center and we are still very much interested in it. We would appreciate a monthly report of your meetings, and will cooperate in any way we can.

Yours truly,

Dear Jeffrey:

In response to your recent request for $2000.00 we regret to inform you that we have no funds available at this time.

Regarding the proposal that we co-sponsor a rummage sale, we need a statement in writing of exactly what our responsibilities would be. We would be willing to lend our name and to volunteer our sevices as we are able, but can accept no responsibility for financial obligations incurred, nor can we supply tables for the event. In exchange we ask for a 25% share of the gross proceeds.

Dear New SBCC Board Member,

Welcome to membership on the SBCC Board. We very much appreciate your commitment to serve Stinson Beach through membership on the Board. Your first meeting is coming up very soon, **Wednesday, February 14th, at 7:30 PM**. I would like you to come to the "Board Room" at 7:00 PM that night for a brief orientation to being a Board Member. Please call me at 1444 ASAP to confirm that you will make it.

Enclosed is a new (and as yet untested) Board Orientation packet. For those of you who have been to either the Annual Meeting or to some of our Board Meetings, there will be no surprises.

The first five (5) pages talk about being a Board Member and lay out some of the structure by which the Board accomplishes it's work. That is followed by four (4) pages about the Center which might be sought were we to apply for a grant. It is a description of what we do for the public.

Finally, there are addenda summarizing our current rental rates and displaying the (as yet unapproved) 1996 budget. The budget figures are tentative and, for now, for your eyes only.

I hope this helps to introduce you to Board Membership. I hope you will come to learn more on the 14th and in the Months ahead.

Sincerely,

Doug Ross

Oct. 6, 1996

Dear Friends of the Allied Arts:

Thank you for your hospitality during your Annual Picnic. It was wonderful seeing so many long-time supporters of the Community Center. Allied Arts had been the base on which our Community Center was built and through its 50 year history your organization has spent many hours supporting its functions.
Thank you also for allowing me to present the Community Center's long-term plans and concerns.
As you know the Community Center consists of three buildings the Fire House which is leased to the Fire District but we are responsible to maintain, the Community Center - a muilt-use facility which hosts senior lunches, Montesorri preschool, support groups, educational classes, and political forums, social events, focus groups, and will be the kitchen and housing unit of our overall disaster plan, and the Community Church, which in case of disaster will serve as our infirmary. This is all in accordance with the Fire Dept.'s overall Disaster Plan, of which I'm sure you're all aware.
Originally built over 50 years ago by local residents, some of whom, were at your picnic, the Community Center Buildings are in need of repair, specifically the Church roof which is three years past its expected 30 years and growing lichen and failing.
It was mentioned that perhaps The Board of Missions could contribute toward the church structure, however, our concerned pastor David Jacobson had already pursued this avenue to no avail since this is not a Church or Religous associated building but a community owned and operated structure.
Also at the Picnic it was asked how Bolinas would benefit from Allied Arts supporting the Community Center. First, in case of disaster, we won't be knocking on your Communuty Center door looking for shelter. Second, of the 22 pre-school children atending our Montesorri school, 11 live in Bolinas. Also the Montesorri School Board president, Janet Kjelmyr and the teacher, Susan Tacheirra both live in Bolinas.
The Church roof will cost approximately $11,000 and we are asking for your generosity by using part of your $40,000 Disaster Fund to provide the much needed replacements.
Thank you for your consideration,

Celeste Washington
President
Stinson Beach Community Center

Dear Shirley,
Nice meeting you!
I realize the Allied Arts cannot afford the whole cost of repairing and replacing the Church roof which is anywhere from $13K to $17K depending on materials + damage.
But anything will be appreciated.
Thanks,
Celeste

Dear Members of Allied Arts,

We are so appreciative of your generous donation of $1,000 to West Marin Senior Services. As a local agency we rely on good, caring friends like you to enable us to assist about 500 people each year.

Local giving helps prevent us from having to charge fees every time we provide help to someone who wants to remain living in their homes with safety and security. It also helps us to offer support groups, educational programs and classes, the volunteer driving and meal delivery programs, and the newsletter.

Since we are a 501(c)3 non-profit agency, your contribution is tax deductible. This letter acknowledges that your contribution was indeed a gift for which there were no goods or services provided.

May you all have a healthy and happy holiday season filled with many blessings.

CANINE COMPANIONS

"Exceptional Dogs for Exceptional People"

PO Box 85
Stinson Beach, CA 94970

Dear Ms. Fitzpatrick,

Please accept our heartfelt thanks for your recent gift to Canine Companions for Independence. Your generosity will make it possible for CCI to continue its single mission--to provide highly trained assistance dogs to people with disabilities.

We are so appreciative of the wonderful support shown by the many CCI friends throughout the region. With your help, our training program is working even harder to meet the growing demand for these wonderful dogs who give new meaning to the word independence.

With every Canine Companion placed, CCI changes a life. Where once a graduate depended on other people to open doors or pick up dropped items, the service dog provides independence. Where a knock on the door or a smoke alarm's warning went unheard before, the hearing dog alerts its partner to the sound. Where once a young teenager in a wheelchair depended on family to provide for every need, the social dog offers assistance and companionship.

It is wonderful to see groups of people like yours helping others. Your generosity has helped someone become more independent.

If we can ever provide additional information to you about the CCI program, please contact us or stop by to see your donation at work.

Thank you for your interest, commitment and caring--it really does make a difference!

With appreciation and best wishes,

Dear Friends:

Your commitment to our program is most inspiring! I wish to express my sincerest appreciation for your welcome additional donation of $250.00, received December 16, 1997.

Your partnership in our charitable work truly benefits those we serve. Dedicated individuals like you help make it possible for us to continue our programs and services. Today there are a record number of more than 1,700 active Guide Dog teams. I would like to share with you just a few of our other accomplishments this year.

- A newly designed outreach program to teach mobility and other vocational specialists who refer our services to the blind has been successfully received. These trained professionals are able to assist their clients with more information about our services than ever before.
- More than 1,000 youths and adults in eight Western states who raise our Guide Dog puppies are receiving new skills in canine education and training to aid them in their volunteer efforts.
- We've moved further into the technological age with an on-line World Wide Web site. Our home page at **www.guidedogs.com** is filled with enlightening information: facts about our mission, a description of the application process, and even ways to make a donation. Our web page was designed to be friendly to both visually-impaired and sighted visitors. We welcome your visit.

Thank you for being a vital part of our team. We could not accomplish all we do without your support.

Dear Friends,

On behalf of the Board and staff of the Coastal Health Alliance, I would like to thank you for your generous contribution to our organization.

Our ability to respond to the health needs of the entire community depends upon financial contributions from community members like you. Donations are our principal source of funds for new equipment and staff training, and also support a portion of the costs of serving uninsured and under-insured patients.

Contributions from the community - whether large or small - are also deeply appreciated by staff and board members as an indication that the community values the work we are doing to make health services available to everyone in our area.

On behalf of all of us here at The Marine Mammal Center, I want to thank you for the Stinson Beach Allied Art's gift of $500. Forming partnerships with area businesses allows us to serve the community more effectively and is a priority for The Center. Your gift is deeply appreciated.

In addition, I invite you to come out to The Center for a first-hand look at our programs. Dear Allied Arts Members,

On behalf of the Board of Directors and Artistic Staff at **Shakespeare at the Beach**, we would like to thank you for your generous support of our 1997 Season with your $300 Season Sponsorship. You helped us to make it our most successful performing season to date.

We hope you will continue to support **Shakespeare at the Beach** in 1998. We believe it will be our most challenging and gratifying season. We will open on May 30th with **Much Ado About Nothing,** directed by Richard Rossi, head of Drama Department at Napa Valley College and Director/actor at Berkeley Rep and Aurora Theater Company. It will close on July 12. On July 25th **Hamlet** opens, directed by James Dunn, retired head of the College of Marin Drama Department, and Director at the Old Globe Theater in San Diego and the Denver Theater Center. It will run through August 30. Our final production, **The Tempest,** opening on September 12 and running through October 18, will be directed by Kenneth Kelleher, Director at San Jose Repertory Theater and the San Jose Stage Company and the prestigious California Shakespeare Festival.

Again, thank you for supporting us in establishing the Bay Area's newest Shakespeare Festival and enabling us to bring top quality theater to West Marin. You have helped us continue our efforts in the areas of educational and community outreach to schools and low-income families by providing free student matinees, "Kids Free Nights" and special senior citizen discounts.

For tax purposes, we would like to remind you that Shakespeare at the Beach's 501(c) 3 number is 680346517.
